ABOUT FAPI

OVERVIEW

FAPI is a forum to facilitate and enable American Physicians to excel in patient care, teaching and research and to pursue their aspirations in professional and community affairs.

PRESIDENT'S MESSAGE

FAPI was organized to educate members about new research in medicine and health care. Members were unified under one organization to serve community better.

FAPI physicians have a great impact in the Tampa Bay Area. Small solo to big practice in Tampa Bay Area has more than 600 practicing physicians. We give great patient care.

ABOUT THE CONVENTION

The FAPI Convention offers an excellent opportunity to interact with leading physicians and professionals of Indian origin. The convention features talks and presentations highlighting the advances in the field of medicine. The convention also offers CME credits.

Attendees can visit the exhibits during the convention to explore the latest publications, products and services.

CME Topics:

- Advances in Cardiovascular health
- Advances in Pharmacology
